Internal Quality Assurance Cell

Action Taken Report 2023-24

On July 5, 2023 and October 8, 2022, two meetings are conducted by internal quality assurance cell. There are certain discissions made by IQAC for academic development of institution. As per the discissions, activities were conducted through-out year. So, the repot for action taken by IQAC is as below.

Principal Dr V C Kharode appeal to set academic activities schedule to deliver syllabus among the students. Hence, all faculty members submit their academic planning for the session and also submit academic completion report to IQAC. Economics, Marathi and History department conducted certificate courses.

Dr Wasudeo Bhagat, coordinator of Alumni Association, organized alumni meet and took view of alumni for progress of institution. In the first meeting discission was taken to set best practice for the session. According to that best practice of social welfare had conducted successfully.

All members were decided to conduct survey on stakeholders` opinion who are out in the society i. e. the social elements, the parents aspiring their wards bright future ridden on the quality of education by preparing a one comprehensive questionnaire with the help of departments and conclusions to be forwarded to the parent University. According to resolution feedback was conducted.
